

# Ayudas Predoctorales AECC 2024 Navarra

## Adjudicatarios

**D.<sup>a</sup> Iratxe Ugarte**

Cancer Center Clínica Universidad  
de Navarra (CIMA-CCUN)

Epigenetic landscape of immune resistance  
in pancreatic cancer

## Suplentes

**D.<sup>a</sup> Paula Molero**

Cancer Center Clínica Universidad  
de Navarra (CIMA-CCUN)

Immunotherapy strategies acting on  
vascular endothelial cells in tumors using  
CD137 agonists to foster T-cell infiltration  
(IMFILTRATE)

**D.<sup>a</sup> Ana Aldaz**

Cancer Center Clínica Universidad  
de Navarra (CIMA-CCUN)

Dissecting the Role of the Immune  
Microenvironment in Myelodysplastic  
Syndromes

**D.<sup>a</sup> Gabriela Novoa**

Cancer Center Clínica Universidad  
de Navarra (CIMA-CCUN)

Investigating Cell-Autonomous Effects in  
response to combined KRAS and JAK2  
inhibition in Pancreatic Cancer

**D.<sup>a</sup> Elena Adán**

Cancer Center Clínica Universidad  
de Navarra (CIMA-CCUN)

Precision medicine in MASH-HCC:  
Deciphering the key Epigenetic and  
Epitranscriptomic Drivers and Implications  
for Innovative Therapeutic Interventions
